All dimensions given are approximate and should be checked prior to installation.

Note: The MANSION-02P (Ceramic) has a pre-punched tap hole which can be removed in order to install a mixer. This must be removed prior to installation of the sink by a professional. Failure to do so will void the warranty. Detailed instructions are provided with the sink. Due to the individuality of these sinks we strongly recommend that a registered joiner/plumber be used to complete the install. Failure to do so will void the warranty.
